

## Player Hosting

Nothing can be more rewarding than hosting a tennis player for the various tournaments that are held here in the Coachella Valley. From one of the most prestigious junior tennis tournaments – The Easter Bowl, to the “Fifth Slam” – The Pacific Life Open held at the Indian Wells Tennis Garden, player housing is needed, and many of our valley residents open up their doors to welcome them.

Usually there is a need between November and June to host the players for the various tennis events in the Coachella Valley. Many fun and unique relationships are started by this kind act of hospitality.

We have had people host individuals, their coaches, and even entire teams! Whatever you can do to help is greatly appreciated, and in many cases comes with some added perks.
