

Private Casita for Rent

A local family would like to rent their private one bedroom, 1 bathroom, detached and **furnished** casita. Their home is located in southeastern Rancho Mirage (near Country Club and Monterey Avenue) on a cul-de-sac in a beautiful gated community.

We are seeking a mature, responsible, and clean person who will treat our home with care (NO smokers or animals). This unit is **“turn-key”** all you need are your clothes, and other personal belongings, and you are set!

- Queen sized bed.
- Full private bathroom.
- Courtyard with fireplace.
- Television with Time Warner Cable channels.
- Free hi-speed internet access – wireless and in room CAT 5 connections.
- Bedding and towels.
- All utilities included except telephone.
- Small refrigerator & microwave.
- Toaster oven.
- On the street parking in front of unit.
- Maid Service twice monthly.

The cost is \$750.00/month plus a \$500.00 cleaning/security deposit. **No other utility bills to pay!**

This property does not have a kitchen. If you love to cook & prepare meals it is probably not a good fit. However, if you are going to make an occasional sandwich, order a pizza or take out, a light breakfast with fruit and cereal – this will work. Casita living is perfect for someone who needs a place to stay on a temporary basis – for a season, or as a place to stay while working a temporary job, or a commuter from another town.
